

**Your media
services partner**

**Your school has
amazing stories
to tell. Let us help
you share them...**

You choose what
you need, when
you need it...

Choose from our wide range of services

-  Engagement - parental, community, staff
-  Marketing - plans, schedules, preparation for open events
-  Social media - advice, creation, support
-  Creative design, print and digital services
-  Website and intranet development
-  Content writing - websites, prospectuses, planners
-  Branding and re-branding
-  Signage - internal, external
-  Video and photography
-  Press relations
-  Reputation and crisis management
-  In-house training and professional development
-  Music/sound composition

Your school is doing amazing things every day, but sometimes it's hard to make the outside world aware of everything that's going on...

Let us help you.

"We have been **delighted** with the service provided...**helping us** to raise the profile of our school in the **local community**."

Pace and **Local Voice Media** are delighted to announce their exciting, new and innovative partnership, offering a full library of bespoke services.

Delivered by a team of the best professionals in education media, our unique model allows you to pick and choose what you need - when you need it.

We want you to receive good value, maximum impact services; it could be growing your reputation via a steady stream of positive press releases, CPD training on crisis management or producing a meaningful digital presence.

We're a friendly bunch so get in touch and find out what we can do for you.
